FOREWORD

This book covers the thirty five chapters of Ephesians, Philippians, Colossians, First and Second Thessalonians, First and Second Timothy, and Titus.

Like all the others in the Douthitt series, these studies are designed to send the student to the original source, the Bible, for the answers.

Many teachers know the value of an outline that will accomplish the following purposes:

1. Guide the student into a knowledge of just what the word of God says, rather than what men have said on religious issues.
2. Make the student happy in the study of God's word.
3. Increase interest and attendance.
4. Show the results of private study.
5. Give the student an opportunity to express himself.
6. Cause the student to realize that something is expected of him.

Scores of letters have been received from elders, preachers and teachers all over the country stating that the Douthitt books for Bible classes do accomplish these purposes.

These lessons will help the student to understand and to remember the eternal principles of Christian living set forth by the apostle Paul in the eight epistles covered by this book.

BIBLE LESSONS FOR CHILDREN, BOOK 3.

Each book has twenty six lessons, combining in every lesson the three most effective and fruitful methods of teaching the Bible to children — stories, memory work, questions and answers.

NEW TESTAMENT STUDIES: Twenty six lessons in the life of Christ and the history of the early church, covering Matthew, Mark, Luke, John and Acts. This is the first in a series of six books covering the entire New Testament.

BIBLE TOPIC STUDIES: Twenty eight lessons on most vital Bible subjects; guides the student into a knowledge of what the Bible actually says, rather than what men have said about these subjects.
